

Child Friendly Safeguarding Policy

In our school, we respect our children and help to protect your rights. We do our best to help you make good progress, teach you how to recognise risks in different situations and how to protect yourself and stay safe.

Safeguarding means that school staff should:

- Protect you from harm
- Make sure that nothing stops you from being healthy or developing properly
- Make sure you are safely looked after
- Make sure you have the best life chances and can grow up happy

How will we try to protect you?

- We try to provide a safe and secure environment for you to learn
- We help to ensure that you remain safe, at home as well as at school
- We think it is important for you to know where to get help if you are worried or unhappy about something.

Sometimes a member of staff at school will need to check things with:

Miss Jane

Mrs Snell

If you need to talk, we will listen. You can talk to any adult within the school – anyone you feel comfortable talking to will listen and help you. If you do not want to talk, you can write it down and give it to a member of staff or you can ring ChildLine.
