Dear parents and carers,

What a lovely week we have had again! I hope everyone has managed to enjoy plenty of time outside without getting sunburnt...

As we await the Government's decision on schools reopening in June, I would like to thank all those parents who replied to our initial survey. As you know, the intention is to reopen the school to our vulnerable children, children in Nursery, Reception, Year 1 and Year 6. Children of Key workers continue to be offered a place if it is absolutely essential and no other option is available. With the exception of our part time nursery children, I would like to add that we can only offer full time places in accordance with guidelines on safety. Part time places may be considered for specific situations on request.

As so many parents were unsure if they would send their children back to school, I have attached a list of FAQs which I have answered to the best of my ability at this current time. I am asking that parents let us know a definite yes or no by midday on Friday please so we can finalise our plans for a possible opening. This can be done by emailing our school secretary. If you do not reply by this time, I will assume that a place is not required.

If you would like to ask any further questions not included in the FAQ sheet, please could you send these by 4pm tomorrow and I will do my best to answer them.

With all my very best wishes for a lovely weekend.
Caroline Jarrett
