

## AUTUMN TERM - NEWSLETTER - Issue 4 – 2 October

### Message from Ms Jarrett

Dear parents and carers,

Another week has gone by and the staff and children are getting into a smooth routine again. The days of lockdown are feeling more and more like a distant memory. The classes are filled with happy voices and the children seem to be enjoying being back in school.

We have been incredibly proud of all the children who have taken on the new systems and procedures without any issues and have remained positive and engaged in their school day. Our main focus currently is wellbeing, and building the children's confidence to enable them to return to their learning. The staff have planned very carefully to support and guide the children with this and I am extremely grateful to them for their ongoing hard work and dedication.

I would like to thank you for your support too, drop off and pick up times are going well on the whole and nearly everybody is remembering not to enter the school grounds without permission.

You may have noticed that the accident forms have changed and are now smaller. This is a new form which we are using to comply with GDPR rules. They will come home in the same way in bags so please look out for these as usual. If your child has had a bump to the head or a more serious injury, you will be contacted by school directly.

I hope everyone manages to enjoy the weekend despite the weather forecast. Keep safe and well.

With very best wishes,  
Caroline Jarrett

## Do you have a child born between 1 September 2016 and 31 August 2017?

If so, you will need to apply for a place in a reception class in September 2021 for that child by the deadline of **15 January 2021**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
