CCE Initial Teacher Training – now open for applications!

As a Trust we have planned our own ITT programme with Plymouth Marjon University, offering a PGCE with QTS training course. The course is a 'School Direct' course where training takes place both at Marjon, but mainly within schools – learning 'on the job'.

The Primary (5-11) course aims to give participants experience of the full range of ages between 5 and 11 in two contrasting school placements – probably one large urban and one smaller rural. Trainees initially observe and work with small groups, eventually leading to whole class teaching in two different schools. Trainees also benefit from taking part in three focus weeks based on SEND, Outdoor Education and Christian Distinctiveness. Taught sessions will take place once or twice a week at Plymouth Marjon University where trainees will essentially be taught the academic requirements of the PGCE course. Other training sessions will be offered by the Trust.

Applications can be accepted by UCAS now as the course is now 'live' on their site.

If you, or anyone else you know is interested in training to be a teacher and would like to train using the 'School Direct' route, please encourage them to have a look at our Celtic Cross website, where there is a wealth of information or contact ITT@celticcross.education
