

SUMMER TERM - NEWSLETTER - Issue 34 - 16th July

Together we grow in God's love... Loving, Learning, Living

Message from Ms Jarrett

I don't know how we have found ourselves in the penultimate week of term... how time flies!

I think all the children are starting to feel a bit tired and are looking forward to the rest; however, they are still working really hard and impressing the teachers with their efforts.

The KS2 children have been extremely busy putting together the end of year performance which will be shared next week. Sport continues in school and also out of school with Kwilkyn class travelling to Fistrall beach for a day of beach safety and surfing. We have been very lucky that the weather has been on our side this week and we hope it continues into next for all our end of term treats!

It looks like we're going to have a sunny weekend, so I hope you all get to enjoy it and feel ready and refreshed for the final push into summer.

As this is the final newsletter of the year, I would like to take this opportunity to thank everyone for their ongoing support through what has been a difficult and turbulent year to say the least. I sincerely hope that you all have a chance to relax and spend some quality family time... a chance to recharge the batteries and regain strength and energy.

With best wishes
Caroline Jarrett

Using this Guide

The Guide is a practical way to help you have conversations with your child about what they get up to online, and whether to be concerned about anything they're doing.

With the increasing need for time on computers and devices, have you ever had any worries about 'what your children get up to online?' Do you notice that your kids might claim that they know others are allowed something you deem to be inappropriate. Perhaps you wonder about what is age-appropriate and need to know more about what should be a cause for concern.

Over at Headstart Kernow you can download the relevant advice for the age range of your child/ren (some households will need to consider more than one age range and the logistical issues this can present).

Follow the link below to access advice and guidance for children 0-5 right up to 16-18yrs.

The Summer Reading Challenge at St Austell Library is going to be a bit different this year. Here's what you might expect:

What's the same:

- You need to be a library member to take part
- You need to read six books to get your prizes and complete the challenge

**What's different:**

- The Library has reduced opening times. You can come in to sign up or choose your books on Tuesdays and Thursdays 9am-5pm, on Saturdays 10am-12pm, and after school 3pm-5pm on Mondays, Wednesdays, and Fridays
- The Library is limiting the number of people allowed in at once. You may have to wait outside for other people to finish and leave before you'll be able to come in
- The Library needs you to follow social distancing guidelines. Please keep 2m apart from other customers, use the hand sanitiser provided, and adults must wear a face mask at all times
- We're not going to ask you to tell us about the books you've read. If you like, you can leave a Reader Review bookmark instead

BUT! This year you can:

- Ask an adult to sign you up without you being in the library!
- Read your own books from home for the challenge!
- Read all six books in one go and collect all your prizes at the end!
- Choose books in person when we're open!
- Reserve your six books online using our Click and Collect service!
- Reserve a Lucky Dip bag of six random books!
- Pick up a Speedy Six - a ready made pack of six books on a theme!

And if you don't want to visit the library at all, you can still take part in the challenge online at www.summerreadingchallenge.org.uk!

Remember other libraries may have different opening times and procedures for their challenge. PLEASE check before you go to sign up, or if you want visit other libraries to choose your challenge books

There is more information and extra activities and prizes online at www.summerreadingchallenge.org.uk

If you need to join the library, pop in with an adult to join for FREE when we are open, or join online at www.cornwall.gov.uk/library
