

## SUMMER TERM - NEWSLETTER - Issue 24 – 30th April

Together we grow in God's love... Loving, Learning, Living

### Message from Ms Jarrett

Dear Parents and Carers,

I can't believe we are already nearing the end of our second week into the summer term. We have had another full week of activities and we are really proud of the levels of engagement we have seen from the children. Their enthusiasm and positive behaviour towards everyone has been fantastic and our new topics seem to be proving a great success!

Don't forget to keep checking your child's Class Dojo or Tapestry account for photos and messages from your class teacher.

From next week, we will be adding lots of new dates to the diary on the newsletter. Please keep an eye on this section for further updates and additions through the term.

I hope you all have a lovely Bank Holiday weekend—there might even be some chance of sunshine!

With very best wishes, Caroline Jarrett

### THANK YOU

A huge thank you to Mr Farrell (Izzy's dad!) for donating a growing kit from the 'Sunflower Project' for us as well as enough pots and compost for every child in the school to grow their own sunflower!

The Sunflower Organisation, are aiming to grow 10,000 sunflowers across Cornwall this summer so we look forward to getting involved and brightening up the front garden with as many as possible!

If you would like more information or to get involved, visit their website at <https://www.creativeroots.earth/thesunflowerproject>

The Sunflower Project | Creative Roots Funded packs have now all been placed but there are still ways for you to get involved! Community packs are available to purchase for a £15- £40 donation and include seeds, poster, regular newsletters, noticing books and a beautiful hand bound book with all the how too's and seasonal creative activities. [www.creativeroots.earth](https://www.creativeroots.earth)

.We will be sending them photos to go on their website of the ones we are growing at school, so look out for that as well as keeping an eye on the school front garden as they grow!

### Kwilkyn - Topic

This week Kwilkyn's Topic saw them making and enjoying Mexican Food.

Lexe, Roman and Sam have some lovely plates of food in these photos.

**Grampound Village Store**  
run by locals - owned by the community - needs us all to sustain it

Grampound Village Store was financed and set up by local people. Many villagers support us very well and we are grateful to them. As time passes, we hope more of you will visit GVS as regularly.

A local shop makes life better for all in the village community, young and old, well and sick, rich and poor, drivers and non-drivers. Please, think about it and do your bit every week as a customer or volunteer or both.

Grampound Village Store took the opportunity of the pandemic to complete a major update of the Coffee Shop facilities and then to create an internal link between the shop and coffee shop so that it is now a single walk-through facility.

Village Shop Opening Hours over the Bank Holiday Weekend

Saturday - 9 am to 2 pm

Sunday - 10 am to 2 pm

Monday - 10 am to 2 pm

The Coffee Shop will also be open for tea & cake, supporting the Arts & Craft Fair this weekend please see details below.

# How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music with explicit lyrics, for instance, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

## Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

## Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 4 Enable Parental Controls
- 4 Create Pin
- 4 Tap the content you would like to restrict
- 4 Choose how to filter or restrict access

# How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT iPhone

The parental controls on iPhones allow you to block or restrict certain apps, features, content, downloads, or purchases. Setting limitations on content ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to unsuitable material and information.

## 18+ Set up content rating restrictions

Content filters keep your child from viewing unsuitable material. They block apps, films and TV shows with specific age ratings, and music and podcasts with explicit content.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Enable Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Choose the Settings for each feature you wish to restrict

## Set up web restrictions

Website content filters restrict age-inappropriate content on Safari. You can also blacklist certain websites or allow access only to approved sites.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 4 Tap Web Content
- 5 Choose between Unrestricted Access, Limit Adult Websites and Allowed Websites Only
- 7 Choose which websites you wish to allow/block

## Set up Siri web search restrictions

You can screen out explicit language to avoid Siri displaying inappropriate results. You could also disable Siri entirely, so your child can't use it to search the web.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Scroll Down to Siri
- 6 Choose to block either or both Web Search Content and Explicit Language
