

SPRING TERM - NEWSLETTER - Issue 22 – 26th March

Message from Ms Jarrett

Dear Parents and Carers,

This is the last newsletter before we break up for the Easter holidays on Thursday next week. As you can see this week's edition is packed with information and photographs of what the children have been doing and highlighting things to come. Please do take a moment to add dates to your diary and read through all the information to keep up to date with changes and news. I hope the children have all enjoyed their return to school—it certainly seems a positive start from our perspective and we've been delighted with how everyone has settled back into new routines. We're now looking forward to our four day week next week full of Easter hope and cheer.

With best wishes for a very happy Easter!
Caroline Jarrett

There will not be a Newsletter next week so we hope you all have a lovely Easter Holiday and we look forward to seeing you all on Monday 19th April 2021

Contact Tracing over the Easter Holidays

Schools and further education providers continue to play an important role in contact tracing and the national effort to limit the spread of coronavirus (COVID-19).

We will continue to play our part with contact tracing over Easter, similar to the arrangements over Christmas. Please ensure you inform us if your child tests positive for Coronavirus if they developed symptoms within 48 hours of being in school. We will then identify close contacts and advise self-isolation, as the individual may have been infectious whilst at school. You can inform us by emailing:

grampoundwithcreed.head@celticcross.education
This email address will be checked daily until Wednesday, 7th April.

Where pupils test positive for coronavirus during the holidays, having developed symptoms more than 48 hours since being at school, you are not required to inform us; however, you should follow contact tracing instructions provided by NHS Test and Trace. Where pupils need to self-isolate due to contact with a positive case during the holidays, you do not need to inform us about this until the first day of the Summer term.

Many thanks

At Celtic Cross Education...
we nurture, we learn, we achieve together.

Concerning Online Challenge aimed at children & teenagers!

We have been made aware of a pupil within the Trust who was contacted on a private social networking account, despite their account being set to private, and asked to engage in an online challenge named 'Blue Whale'.

This worrying phenomenon includes people contacting individuals (often children) and setting them a number of tasks to complete over 50 days. The individual is then encouraged to share evidence of their completed tasks by sharing video or photographic evidence. Tasks are set over a number of days and escalate, over time, to the most alarming of acts, many life threatening. Details are explicit, therefore, we are urging all parents and carers to visit the following website to gain an understanding of the dangers and warning signs:

Red Nose Day 2021

The children celebrated Red Nose day by wearing red and raising £102—Well Done

Breakfast is often called 'the most **important** meal of the day', and for good reason. As the name suggests, **breakfast** breaks the overnight fasting period. It replenishes your supply of glucose to boost your energy levels and alertness, while also providing other **essential** nutrients required for good health
