- Grampound with Creed School is open to staff using 'live streaming', with the Head of School's consent, if it was felt it would have a positive impact on children's remote learning, but it is not a requirement. Any 'live' streaming would be strictly in line with the Live-streaming Principals and Practice Guidance

4. Home and School Partnership

Grampound with Creed School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

Grampound with Creed school will provide support for parents on how to use Zoom K12, Tapestry and Class Dojo as appropriate and where possible, provide personalised resources.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. Grampound with Creed School would recommend that each 'school day' maintains structure.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

In line with Grampound with Creed School's 'digital charter' we would encourage parents to follow the 'digital 5 a day' framework which provides practical steps to support a healthy and balanced digital diet.

All children sign an 'Acceptable Use Policy' at school which includes e-safety rules and this applies when children are working on computers at home.
